

18th Edition

Level 3 Award in the Requirements for Electrical Installations BS 7671: 2018

Course Information:

This qualification ensures that you are up-to-date with the latest industry regulation on wiring and the safe use and operation of electrical equipment and systems. It covers the 18th edition of the IET Wiring Regulations. These regulations are recognised by the British Standards Institute as a British Standard (BS 7671).

This qualification is primarily aimed at practising electricians with relevant experience and other allied professionals e.g. surveyors, consultants and other trades needing to update and enhance their understanding of IET Wiring Regulations. It is also suitable for anyone wishing to demonstrate an understanding of the IET 18th Edition Wiring Regulations (BS 7671).

What You Will Learn:

What does this qualification cover?

This award gives the learner an understanding of the application of the IET Wiring Regulations Eighteenth Edition. It provides a facility for individuals working in the electrotechnical sector to develop and/or enhance their knowledge of the Requirements for Electrical Installation.
