

## WHAT NEXT?

We can help you when deciding which course or option you wish to take. During your course we ensure you develop employability skills and gain relevant experience. We provide information, advice and support when completing your course and progressing to work or going into higher education. When applying for university we can provide support with the UCAS application and Student Finance.

Once you've received a Level 3 qualification you could progress into employment, or further your studies by taking other qualifications at university, for example a HNC Construction or BSc Construction Management.

## HOW DO YOU APPLY?

Apply online at [scarboroughtec.ac.uk/fulltime-apply](https://scarboroughtec.ac.uk/fulltime-apply) today!

Don't forget to include your current email address and mobile phone number on the application form so we can contact you.

# CONSTRUCTION

## CONSTRUCTION AVAILABLE AT LEVEL 3

This Construction course is ideal for anyone wanting to go into a professional career in the industry is suited for those who wish to follow a path into Construction, Architecture or Civil Engineering.

You will learn about the technology of buildings, surveying in the field, sustainable construction, property law and building regulations and will also include elements of Science and Maths.

There may also be the option to study computer aided design (CAD) as well as structural mechanics and building regulations and control. You could also gain necessary work experience including carrying out surveying tasks for external companies and organisations or working on construction sites.

**5% PART-TIME**  
**59% FULL-TIME**  
**36% SELF-EMPLOYED**

### Level 3

#### Entry requirements

For this course you will require 5 GCSEs grade 9-4 (A\*-C) including Maths and/or English. We are always happy to discuss individual circumstances, in order to match suitability.

#### HOW IS THIS COURSE ASSESSED?

These courses are assessed through a series of practical examinations and online multiple-choice tests.

#### English & Maths

If you haven't achieved a GCSE Grade 4 (C) in English and/or Maths you will be required to either; take a Functional Skills qualification if you have achieved a Grade 1 or 2, or retake the GCSE if you've achieved Grade 3. You will be fully supported by our specialist team ahead of taking the exam.
