

HOW IS THIS COURSE ASSESSED?

These courses are assessed through a series of assignments and subject evidence provided through the building of a portfolio. The course is also assessed through a series of observations and examinations and, at Level 3, a mandatory work placement will take place.

WHAT NEXT?

We can help you when deciding which course or option you wish to take. During your course we ensure you develop employability skills and gain relevant experience. We provide information, advice and support when completing your course and progressing to work or going into higher education. When applying for university we can provide support with the UCAS application and Student Finance.

On completion of this course, students will be able to progress into Higher Education or into full-time employment.

Level 2

Entry requirements

4 GCSEs at grade D (3) are required for this qualification and a 100% commitment to attend college, try hard and learn and achieve are vital to success.

YOU COULD STUDY:

- Human life span development
- Health and social care values
- Effective communication
- Equality and diversity
- Individual rights and responsibilities
- Healthy living
- Creative and therapeutic activities
- Carry out a research project
- Vocational experience
- Introduction to first aid
- Infection control
- Food safety

Level 3

Entry requirements

Students may already have completed the Level 2 Diploma in Health and Social Care or may have attainment of a minimum of 5 GCSEs, Grade A*-C (9-4) which must include Maths and English. A 100% commitment to attend college, try hard, learn and achieve are vital to success.

At Level 3 students must complete nine core mandatory units that are graded A*-D followed by an externally marked Synoptic Assessment.

This is then backed up with a mandatory work placement at a minimum of 75 hours over the period of study.

English & Maths

If you haven't achieved a GCSE Grade 4 (C) in English and/or Maths you will be required to either; take a Functional Skills qualification if you have achieved a Grade 1 or 2, or retake the GCSE if you've achieved Grade 3. You will be fully supported by our specialist team ahead of taking the exam.
