

## BURSARY FUND APPLICATION FORM 2020-21

Date received:

Financial support through various bursary funds can offer financial support to students who are in full or part-time further education and are encountering financial barriers to learning. The bursaries are funded by the Education and Skills Funding Agency and through TEC Partnership funds.

Funding is limited and will be allocated on a first come first served basis.

A number of courses are not eligible for additional financial help through the Bursary Fund. This includes “full cost” courses, apprenticeships and higher education courses. Please check with Student Services if you are unsure about your course or need advice about alternative funding.

If you are applying for childcare funding, you should return this form to Students Services along with your childcare form and a copy of the child/children’s birth certificate. Childcare applications will be considered equally, subject to funding availability. Applications will be allocated funding on a first-come first-served basis, late applications will only be looked at once all other applications have been assessed and only if funds remain. All Childcare applications are prioritised in accordance with TEC Partnership policy.

In the event of a quarantine or lockdown we reserve the right to adjust the bursary to reflect the situation within funding limitations.

**Funding is not guaranteed.**

Make sure that you answer **all of the questions relevant to you** and **sign the declaration on page 8 of the application form**. If your form is incomplete, it will be returned to you. If you need help in completing this form, or require the form in an alternative format, please contact Student Services at your campus.

Applications are assessed according to the 16-19 Bursary Fund/DLSF Policies, which are available from Student Services on request. The criteria are intended solely as guidelines to the decision-making process. Every effort is made by TEC Partnership to look at each application on its own merits. The TEC Partnership reserves the right to make awards to individual students who do not necessarily meet all of the listed criteria. Funding is limited, and with the exception of Vulnerable Young Persons

bursaries, awards will not be guaranteed and will always be subject to funding availability. If your application is successful, you will be sent written confirmation of your award showing the amount you have been allocated and how your payment will be made.

### **Unsuccessful Applicants**

We cannot guarantee funding to any student. If your application is unsuccessful you will be notified in writing.

### **Responsibility relating to benefits**

It is the responsibility of the student to inform the Department of Work and Pensions about any Discretionary Student Support payments they are awarded. Discretionary Student Support may affect eligibility to some benefits.

If you withdraw from your course you will not receive further financial assistance. You will have to pay any outstanding fees and may also have to repay any financial assistance you have been awarded. If you have received kit/equipment and or uniform you will need to hand it back or hand over the amount of money you received for it/them.

### **If you are not happy with our decision or your award is stopped or withdrawn**

All applicants have the right of an appeal. If you believe your application has not been assessed correctly, you do not receive an award, you are not happy with the level of support allocated or your bursary was stopped or withdrawn for reason other than poor attendance then you have the right to appeal. You should make your appeal in writing to the Student Support Manager or via email to [bursary@scarboroughtec.ac.uk](mailto:bursary@scarboroughtec.ac.uk) within 10 working days of being notified of our decision, stating clearly the reasons for appeal and giving any additional details you think should be taken into consideration.
